

NEW! LETTER

Don't forget!! **OCTOBER 15th 2017** is the deadline to fill in participation forms and upload your *in situ* field data to be a part of the 1st activities this year. Please contact Laura or Mehdi if you have any issues or concerns.

Visit from JECAM China-Zhejiang/Jiangsu

(Left to right: Jiali Shang, AAFC, Kun Li, RADl, Heather McNairn & Laura Dingle Robertson)

We were pleased to have a visit from Kun Li of the Institute of Remote Sensing and Digital Earth, Chinese Academy of Science. Kun Li presented their work on rice paddy variables using radar imagery over the JECAM China Jiangsu site.

EXPERIMENT PROCESSING

Field Data Upload: We have received *in situ* field data from eight partners: **Argentina, Belgium, France, India, Italy, Taiwan, Ukraine, and USA-Iowa!** **October 15th** is the deadline to upload your field data to the FTP site to be a part of the 1st activities for this year.

EO Data Processing: We have pre-processed Sentinel 1, Landsat 8 and Radarsat-2 data for the countries who uploaded field data, including ortho-rectification and speckle filtering. We are now in the quality control phase.

Field Data Preprocessing: The uploaded field data continues to be reviewed for consistency across the Experiment.
